RE: Marion County Election Plan – 2023 General Election

To the Honorable Members of the State Board of Elections:

The Marion County Board of Elections asks that you review our Election Plan for the 2023 General Election. Below, we will summarize the plan. Attached, you will find the Petition to Consolidate Precincts and Precinct Election Officers (SBE 74) for Early Voting and for those locations that will be consolidated.

The Marion County Board of Elections has voted to continue our "Common Sense Consolidation" for some of our Election Day polling locations. We will also be offering the ability for voters to utilize any of the Election Day polling locations within their magisterial districts, creating "Magisterial Vote Centers". In addition to that, we will be offering three days of Early Voting on the Thursday, Friday, and Saturday before Election Day at the David R. Hourigan Government Building.

Below, you will find a list of the polling locations that will be open on Election Day for the 2023 Primary Election and the address for the facility. Attached, you will find a map of Marion County with the polling locations marked, the SBE 74 for Early Voting, and the SBE 74 forms for each of our "Common Sense Consolidations"
